Dear Patient:

This letter is to inform you that I will be closing my office medical practice permanently. The last day I will schedule and see patients is April 22, 2024. I will be unable to continue with your care or renew your prescriptions after that date. This has not been an easy decision for me, as caring for my patients has been a great source of satisfaction and pleasure these many years.

I suggest you arrange to place yourself under the care of another physician as soon as possible. I recommend Omega Ob-Gyn Associates. Their multiple office location information is below for your convenience. You may also call customer service of your insurance for a list of doctor recommendations that are in your plan.
